Greenfield Jaycees Newsletter

FROM OUR PRESIDENT

Hello JCI Greenfield Jaycees,

We had a wonderful Picnic Membership meeting on Sunday, August 15th. Thanks to Jenny D. for setting that up and Jen B. for her assistance. Next month, we are back at Jimmy K.'s on September 13th.

At the September meeting, I will be collecting any donations you might have for the Back to School Toy Drive I am setting up to benefit Riley's Toys Foundation. Riley's Toys collects new or like new toys to send to children in Africa and is an international project sponsored by the United States Junior Chamber. So, bring those toys to the September membership meeting if you can help out.

We also just received a request to do a casino for UW Parkside in Kenosha on Thursday, October 7. We will need 11 dealers, so if you can help out, please let me know.

Thanks!

Lori Heiman

Location TBD

PICNIC WRAP-UP

The membership picnic was held at Konkel Park on Sunday, August 15th. While the picnic itself got off to a late start, the weather was perfect. It was sunny and warm and only slightly too windy. Pete Lashock manned the grill while a short meeting was conducted.

Hot dogs and brats were served as well as pasta salads,

chips, and pink lemonade pie.

Andy Frievalt was officially sworn in as a member.

Thanks to all that attended.

LET'S DO SOME TRAVELIN'

#6, thanks, took a month off.

Fantasy football time is here, can't wait!

Thanks to Jen B, Bob & Jen R for working at Fish Day in mid July. The Port Washington Jaycees were thankful for our help. I had a good time, pouring beer. There were times when I continually poured beer, so many thirsty visitors. The fireworks were good also!

Next up!

Wisconsin convention, September 10-12 in Portage. Socialize, attend training, network, meet new friends. Train during the day on Friday with Matt Booth, for only \$35. The Friday training is separate from the convention

registration. I have registration information, just let me know if you are interested.

9th annual state volleyball tournament, October, the 2-3rd in Manitowoc. Talk to Jen Bergin if you are interested in joining the team.

We need to go on a road trip somewhere fun. Any suggestions?

DEVELOP YOURSELF

Hello Jaycees!

Now that summer is wrapping up, it's time to enjoy a few new ID courses. I'm pulling together a "Culture Day" on Sunday, Sept. 26. This will be a combination of a tour of the Lynden Sculpture Garden (www.lydensculpturegarden.org) plus attendance at one or more films later that day during the Milwaukee Film Festival (which runs Sept. 23-Oct. 3, www.milwaukee-film.org). The garden tour will be at 2:30 p.m. with a cost of \$12 per person, and is a unique opportunity to experience an attraction hidden from the public until only recently. The films would be roughly \$9 each, with a selection of regional, national and international titles. Depending on interest from members, we may schedule multiple viewings over several days.

More info to come, including the film schedule, but it's

definitely one to get on the calendar.

Other opportunities include the "Get Motivated" seminar, to be held all day Sept. 14, at the Bradley Center and featuring speakers such as Laura Bush, Colin Powell, Steve Forbes and Terry Bradshaw (www.getmotivated.com). Then on Oct. 14 we'll have a course in conflict resolution. This event is still being developed, and more info will be shared in the next newsletter.

Be sure to let me know if you're interested in any of these opportunities, or have other ideas about events you'd like to see our chapter pursue.

See you at the next event!

Don Klein

JAYCEE CREED

We Believe:

That faith in God gives meaning and purpose to human life.

That the brotherhood of man transcends the sovereignty of nations.

That economic justice can best be won by free men through free enterprise.

That government should be of laws rather than of men.

That earth's great treasure lies in human personality,

And that service to humanity is the best work of life.

Riley's TOYS Foundation

Hi, my name is Riley Hebbard. I am now 5 years old and started Kindergarten this year.

When I was 4 years old, I saw a news story that showed African kids at their school. They only had sticks and dirt to play with; can you believe they had NO TOYS at all?

So I decided to send them my toys that I don't play with anymore. My mommy and I bought them a couple of balls, puzzles, board games, stuffed animals and baby dolls!

Will you donate your toys that you never played with - the ones that are JUST LIKE NEW so I can send them to Africa?

Maybe you can even send a new toy.
I want to collect LOTS of toys, there are so many kids in Africa and I want to get one toy to each of them. Wouldn't that be GREAT?

Please help us spread the word that Riley is collecting NEW and LIKE NEW toys for the needy children in Africa. Share the news with your neighbors, friends, co-workers and classmates. With your help we can be sure EVERY child in Africa has a toy of their very own.

For more information including a list of local toy drop off locations, please visit www.RileysToys.org

The website is child-friendly and features an interactive map where kids can follow the toys from the US to Africa learning all about our port cities, ocean-life, the shipping industry, and Africa.

Do you value the newsletter enough to read it cover to cover? This little contest wants to know! And, do you value your Jaycee membership? If you read this newsletter, send an email to Lori at busycat14@yahoo.com by September 7th letting her know what you value most about your Jaycee membership and your name will be entered into a drawing for a fabulous prize at the September membership meeting. Thanks!
