# Greenfield Jaycees Newsletter

## FROM OUR PRESIDENT

Hello Greenfield Jaycees,

We had two Greenfield teams participate in the Indoor Olympics competition in Sheboygan in April. The team of Pete, Lori and Roger, representing the country of Switzerland, finished in 10<sup>th</sup> place. Representing the country of Columbia and taking 19<sup>th</sup> place was Jenni K., Amanda and Keitra (our newest member, YEAH!!).

Due to rainy weather, we had to reschedule Greenfield's Green Up, Clean Up Day, but we still had six people come out to help clean up our section of Hwy 100 on May 2<sup>nd</sup>. I still have more coupon sheets that I will be giving to those that sign up to help at our next Adopt-A-Highway on Tuesday, July 13<sup>th</sup> at 6:30 pm. We will meet at Omega on Hwy 100 at 6:30 pm. Due to coupon expiration dates, I will give them out in advance, but if you don't show up the date of the clean up, we will find a suiting way for you to make up for it. Hee Hee . . . do I see a volunteer to chair the next project? ☺

The afternoon of May 16<sup>th</sup>, eight Jaycees were enlightened and

entertained by Ben Sabourin as we took part in the Colors Personality training. We had a good mixture of colors in our group and the laughter was contagious as we learned the big differences in temperament among the different color types. We thank Ben (and Cindy) for coming down from Green Bay to lead this training.

Our biggest project of the year – the Greenfield 4<sup>th</sup> of July Celebration – is coming up fast. Come to the June membership meeting to sign up to help, or contact Lori for the shift options. Only Jaycees that sign up for a shift in advance will get parking in the Konkel Park lot (based on availability). All those who come to help out will get free beer!!

The next membership meeting is June 14<sup>th</sup>. See you there!!

## MANAGING THE CHAPTER

Hello Greenfield Jaycees ,

Bob Layton here, it has been awhile since I have written an article for the newsletter so I thought I would write one for my very sick Fiancée Jen Bergin, your Management VP, who now owns stock in Puffs Plus . OK, on to the more important business of Management news .

First up, we have Sandbox Fill coming up on June 5th. This is a new Ways and Means project that is also providing a service to the community (sand delivery). Jen is still looking for more volunteers to help out, especially if you have a truck we could use for the day. For the project to be successful we need as many members as possible to come out that day! We will be meeting at Konkel Park at 12:30 pm to start the delivery. If you are interested in helping out or would like more info please contact Jen at [jennybergin@yahoo.com](mailto:jennybergin@yahoo.com).

Also please don't forget about our Chairman's Planning Guide (CPG) training being held on May 20th at the Greenfield Library on 51st and Layton Ave right next to the Police Dept . Our own Amanda Wills will be doing the training , as she is the Training Program Manager for the state. We will learn how to understand the different facets of a CPG as well as how to properly write one. This is sure to be a training you won't want to miss.

This is all Jen has for this month . Take care Greenfield!

God Bless,  
Bob Layton JCI Senator # 65778

## DEVELOP YOURSELF

Hello Greenfield Jaycees!

It's been a busy year so far, and we've had great attendance at several Individual Development courses on a variety of topics. As we get toward summer I'm looking for your input as to what kinds of personal or professional development programs would be of value to you, as well as to prospective members you may be in touch with. Have a new idea we haven't tried before? Please let me know at [donklein99@wi.rr.com](mailto:donklein99@wi.rr.com).

Several chapter members have already stepped up to host courses or have agreed to do so during the year, which is great. If you have a special skill or expertise you could

share with our membership, let's talk and get it on the calendar.

Thanks to all of you who have attended ID courses this year. I look forward to seeing all of you at the next events!

Don Klein

Individual Development VP 2010

## HEAD OUT TO THE BALL GAME: PITCH, HIT, & RUN AT KONKEL PARK

Your help is needed to make this a success.

With the local competitions complete the kids are ready to move on to the sectional competition and we have been lucky enough to be selected as hosts.

On Saturday, June 12, 2010 from 3:00 to 4:30 at Konkell Park the Greenfield Jaycees will be hosting the sectional edition of Major League Baseball's Pitch, Hit, & Run™ Contest. This event is a great opportunity for the chapter to provide another service to community youth and gain exposure to the community while having a good time watching the kids have fun.

The top achievers can move on to the Team Championship at Miller Park Contest on June 27<sup>th</sup>.

For more information visit: [www.mlb.com/mlb/kids/mlb\\_pitch\\_hit\\_run.jsp](http://www.mlb.com/mlb/kids/mlb_pitch_hit_run.jsp)

Mark your calendars and come out and cheer for the kids. Then, when they make it big, you can say you saw them when they were just getting started.

Or, show up a bit earlier, around 2:00, to help setup and run the event.

We will have many more participants this time and we'll need people to help in all areas from greeting and registering participant to judging where the ball lands. I believe 12 volunteers would make a great event.

## JAYCEE CREED

### We Believe:

That faith in God gives meaning and purpose to human life.

That the brotherhood of man transcends the sovereignty of nations.

That economic justice can best be won by free men through free enterprise.

That government should be of laws rather than of men.

That earth's great treasure lies in human personality,

And that service to humanity is the best work of life.
