Greenfield Jaycees Newsletter

FROM OUR PRESIDENT

Hello JCI Greenfield Jaycees,

Our last membership meeting of the year has past. Whew, what a year it has been. I always think I'm BUSY, but this year may have just surpassed all other years in the busy category!

Congratulations to everyone that was elected to the 2011 Board of Directors. I am looking forward to installing the new JCI Greenfield Board of Directors at the I & A Banquet on Friday, December 10th. Please plan to help us celebrate our accomplishments in 2010, install the new board for 2011 and enjoy the holiday spirit. Watch for your invite in the mail soon. If we do not have your current address,

I am FINALLY taking a much needed vacation. Vegas Baby, here I come!! I am also looking forward to what I hope is a fantastic hike to Phantom Ranch in the Grand Canyon with a fun group of ten.

Happy Thanksgiving!!

Thanks!
 Lori Heiman
 2010 President
 Greenfield Junior Chamber
President@GreenfieldJaycees.org

Please plan on attending the JCI Greenfield Jaycees 2010 Installation & Awards Banquet and Holiday Party.

The banquet will be held on Friday, December 10th in the banquet room at Johnny V's in West Allis. \$20 for dinner, appetizers, treats and games! Formal invites will be mailed soon. There will be goodie bags for those that RSVP to President Lori by December 3rd.

COMMUNITY VP YEAR END WRAP UP

This year was a busy year for me in more ways than one. Being the Greenfield Jaycees Community VP was a great experience for me. I learned so much in the position and gained a lot of valuable experience by working with different people in the chapter and in the community to try to create successful events.

The Easter Egg Scramble went quite well even with the change in venue to Konkel Park. I can't express how thankful I am to Erin Cohn for her guidance and assistance in the execution of the Easter Egg Scramble. She was not only a great help, but she was patient with me and a lot of fun to work with. I also couldn't have done it with the other volunteers who helped in calling for donations, stuffing eggs and helping out the day of the event.

TRAVELIN' THE STATE

#7 and most likely the last one for the year.

So, I am 9-1 and have clenched a fantasy playoff spot already (wk 9 of 13 week regular season).

JC related stuff: I have enjoyed serving as your State Director this year. Thanks to everyone for traveling. I would also like to thank everyone for serving on the board this year. It has been fun. And thanks to Lori for finally stepping up and serving as our fearless leader, our Chapter President. Nice work!

I want to let you know about some of the year end travel opportunities that are available for us all.

Officer Training School (OTS) and Ugly Sweater Holiday Party, December 4th in Appleton. The training is at Fox Valley Technical College and the Christmas party is at the Holiday Inn Neenah. OTS is a great full day training that the chapter will reimburse you for after you attend. If you are new to our organization and are interesting in getting insight into what the Jaycees are all about or if you are a board member next year, this would be a good event to attend. That evening there will be the ugly sweater contest and also a Mexican buffet. This is also the event that the JCI WI 2011 board will be installed. Similar to what we do at our I&A banquet on Friday Dec 10th. See flyer included in the newsletter for more info, or go to www.wijaycees.org.

JCI WI year end convention February 4-5th, 2011 in Appleton. This will be at the Radisson Paper Valley Hotel. Come socialize, attend training, network, and meet new friends. There is a social event on Friday night and Saturday morning is the corporation meeting for JCI WI. Awards will be handed out during lunch and again in the evening at Formal Banquet.

DIRECTOR YEAR END WRAP UP

Hi All

As most of you know I am not one to talk much but I thought I would share my thoughts on the year as it went along. From the Jaycee part I was excited about the start of the year because it meant that one had to start to thinking about the 4th of July and making sure the Parade would be ready by the 4th which we all know went pretty good but I must say it is a lot of hard work to organize a parade. And I must say because of the work on the Fourth of July for the past couple of years I have gotten more active in the other parts of the city of Greenfield. Like the Chamber of Commerce and I have been to some of the after hours events that they put on and to all the Good Morning Greenfield breakfasts that they have through out the year which is the second Tuesday of each month at 7:45 at Bakers Square for anyone who wants to go and I am always there so at least you will know someone if you go. And now I am on the executive committee for the Greenfield 4th of July I am helping once again with organizing the parade for this coming year. And up here in the Mequon school district in May and April I was involved in the hiring process of a new Athletic Director and a new

I also couldn't have done so much with out the help and guidance of Lori Heiman. As the president of the chapter this year she had a huge load on her shoulders, but she always did as much as she could to answer my emails quickly and as detailed as she could. She has done so much this year for me and the chapter.

Working with the 2010 board was a great experience. Thank you for all your support. I wish Kate Vandervort the best of luck as the Community VP for 2011.

Train in the afternoon on Saturday is included in your registration. See flyer included in the newsletter for more info, or go to www.wijaycees.org. Room reservations are due by Dec 23rd and event registration (for cheapest rate) is by January 14th.

Three other events for you to consider. This will be quick, see me or President Lori for more info.

1. JCI Hessen Germany trip in May 2011. Must fill out application and be selected to go. I attended back in 2008 and had a great time. Even meet sum friends that will last a lifetime.
2. Leadership Academy training in Tulsa, OK. I believe this is taking place on the 3rd weekend in January. Again, you must submit an application and be selected. We have always had great success in Greenfield with sending candidate's, so please consider. This is usually a Thur evening through Sat night event.
3. The last event is WI JCI Outstanding Young Farmers (OYF) 2011. I believe this is also on the 3rd weekend in January. This is exactly like it sounds, an event to recognize outstanding farmers in WI that are JC aged. Please ask Jen R for more information.

Thanks for everything, have a great conclusion to 2010 and a fabulous 2011!

Basketball Coach which I enjoyed doing that I got to see how one goes about the hiring process. And then in August I took a week off and went up to PGA Championship at Whistling Straits and worked a concession stand to help out a nonprofit group called Junior Achievement of Sheboygan which was fun to do and I got to walk all over the course and got to see some big named golfers as well. Tiger Woods has a police escort that walks along with him and his golfing party in case anyone wanted to know that and I have friend who was up there he was working for Arnolds pumping out the port a potties and supplying them with toilet paper well he ended up running over Tigers golf ball with the golf cart he was driving around in.

And so far this fall I have been busy at work and now that it is November all ready and by the time I write this it will be the second day of Basketball practice and soon there will be Basketball games which means I will be in my spot on the top row of the bleachers filming Homestead Basketball games.

JAYCEE CREED

We Believe:

That faith in God gives meaning and purpose to human life.

That the brotherhood of man transcends the sovereignty of nations.

That economic justice can best be won by free men through free enterprise.

That government should be of laws rather than of men.

That earth's great treasure lies in human personality,

And that service to humanity is the best work of life.
